

SANGIACOMO - BUSINESS OPPORTUNITY no.09

\Model	Qty	Cylinder	Needles	Gauge	Year	Note
STAR D 40 Dinema	2	4"	168	36	2012	Machines equipped with BTSR optical sensors, no.2 IRO/LGL, motorized elastic feeder, machines delivered cleaned, tested, checked, in working condition, voltage 380/50Hz/3 phases , machines on fumigated pallet. Machines without yarn creel and single fan motor.
HT1 Dinema	1	3 ¾"	128	24	2019	Machines equipped with BTSR optical sensors, no.2 IRO/LGL, motorized elastic feeder, machines delivered cleaned, tested, checked, in working condition, voltage 380/50Hz/3 phases , machines on fumigated pallet. Machines without yarn creel and single fan motor.
HT1 Dinema	2	3 3/4"	144	36	2019	Machines equipped with BTSR optical sensors, no.2 IRO/LGL, motorized elastic feeder, machines delivered cleaned, tested, checked, in working condition, voltage 380/50Hz/3 phases , machines on fumigated pallet. Machines without yarn creel and single fan motor.
HT1 Dinema	9	3 ¾"	156	36	2015	Machines equipped with BTSR optical sensors, no.2 IRO/LGL, motorized elastic feeder, machines delivered cleaned, tested, checked, in working condition, voltage 380/50Hz/3 phases , machines on fumigated pallet. Machines without yarn creel and single fan motor.
HT1 Dinema	6	3 ¾"	156	36	2012	Machines equipped with BTSR optical sensors, no.2 IRO/LGL, motorized elastic feeder, machines delivered cleaned, tested, checked, in working condition, voltage 380/50Hz/3 phases , machines on fumigated pallet. Machines without yarn creel and single fan motor.
